A Word from the Chair....

We are now into February and I hope everyone is having good experiences in your classes. I must take this opportunity to thank the Robert Burns committee for the successful Burns evening we had at 17Wing on January 21. These major outings add colour to the dancing year and certainly give everyone a chance to connect regardless what class they are in. Peter's dance program provided the opportunity for guests and dancers to have a full and active evening. Now we can look forward to the class Social in February (which will be mentioned elsewhere in the L&A). Our teachers really do work hard to provide interesting and challenging dances for us in our classes and I just want to thank them for what they do on behalf of us all. Anyway, here's hoping that everyone continues to enjoy their dancing through the deep of winter.

Class Notes

Tuesday Tech Class

January 10

We are introduced to "Blythe and Cheery" a 32 bar jig. This dance contains a 'corner chain' formation. Then we were instructed in a strathspey "Celebration Strathspey". Then we worked through a Holly Boyd reel "Reel Men wear Plaid". Cheryl gives us each a chocolate soup gift at the end of the night.

January 17

About 16 people. We are introduced to Glayva, it has the Espagnole formation that's fun. Glayva is a liqueur now made in Glasgow. Then we attempt a 32 bar strathspey named: "Slitheren House" with a very unique snake-like pattern that was fun to do. This dance must have been inspired by the Harry Potter series by J K Rowling. We finished off with "Castle in the "Air" a 32 bar reel.

January 21. Burns Night

This was a traditional evening with dancing following a maybe too-generous supper. The Officers Mess at 17 Wing is good for this activity. Kirby MacRae piped in the Haggis and Frederick Carsted gave the address in period costume!. Our own Don Johnson gave the Immortal Memory, an excellent summary of the life and importance of Robert Burns.

The dances were much the same as in 2016 and I for one, was a little more at ease, having stumbled through them in the past. "The Deuks dang Ower My Daddie" was for me the most ambitious but my partner aided me at the right times.

Extra Classes

Based on the response in the first term, COM has voted to continue the Extra General Classes on Thursdays through second term – see dates on the Branch calendar above. As before, the classes will be from 8 – 10 PM at St Paul's, and there will be no charge.

Kilt Skate

Note that the kilt skate, originally set for 28 January, has been rescheduled due to the mild weather in January, and its effect on the ice surfaces at The Forks. Weather permitting, it will now take place on 19 February, at the Duck Pond in Assiniboine Park, skating to start at 2 PM.

There was more discussion of this at the February COM meeting. The idea of a Canada themed programme for the March social dance seems to be surviving, but your editor thought he detected some wavering on the issue of cake. If you want cake, you should lobby your COM members!

CD Launch

Speaking of ECD, Elizabeth Goossen, who is an RSCDS qualified SCD teacher, now spends her creative energy in English Country Dancing and music. She writes both dances and music, and a recording of music for fifteen of her tunes has been made by a prominent ECD band, The Flying Romanos. Great for both listening and EC dancing. The CD, titled Daisies in the Wind, vol 7, Dancing With Friends, will launch on 29 April 2017 at the Universalist Unitarian Church, 603 Wellington Crescent. Tickets are \$15, and will be available at McNally Robinson Booksellers, Grant Park.

Workshop News

Planning is now well under way for the Branch Workshop and Ball, taking place 21 – 23 April at 17 Wing. The brochure and registration form are now available on the Branch web site; why not give the Committee a thrill, by registering early.

One increasingly popular feature of the weekend is the **Friday Evening Ceilidh**, which is held in the bar in the lower level of the Officers' Mess at the base. Now is the time to plan and prepare your Ceilidh item. Help us make this evening another success with your gift of song, skit, poem or dance in the company of friends. Have something you'd like to share? Just include your entry on the application form. As well feel free to call **Ray Plaitin at 204-661-1257** with your questions or needs. Some sound equipment and a keyboard are available if required.

Name Tags

Branch members should have name tags, with their name and Branch affiliation. New members receive these tags **at no further charge** after their first membership is paid. A returning member who has misplaced their tag can get a replacement by contacting the Registrar, Sharon Plaitin. The charge for replacements is \$8.

It is a courtesy to wear your name tag in any situation where not everyone may know you, e.g., when attending an "extra class" or a social.

TAC Summer School

The time is coming to think about attending the TAC Summer School. Registration begins Feb. 15th. It's a wonderful week of dancing, dancing and more dancing! Come out and meet dancers from all over the world, learn from great teachers and dance to live music in every class and every evening! Information can be found at <https://www.tac-rscds.org/index.php/tac-summer-school/summer-school-2017>. Who would not want to spend a week on this beautiful campus??

Summer School offerings include an opportunity to try for the Dancing Achievement Award, which was described in a previous issue of this newsletter. For more information and to read the requirements and expectations check the RSCDS website: www.rscds.org/article/dancing-achievement-award-daa

In case you didn't know about these sites:

Strathspey www.strathspey.org has a database where you can search for info about dances (including cribs and videos when available), music (some clips), people and more. Also, there is a link to the Strathspey e-mail list, in case you'd like to join an online mailing list about SCD.

SCD Dictionary www.scottish-country-dancing-dictionary.com has info about steps and formations. We don't really need that, we get it in our classes; however, sometimes a video may help, and SCD dictionary has videos for steps and formations. Also, there is info about dances, as on Strathspey.

Inter-city Scot www.intercityscot.org for travellers; lists of classes and events in places that you might be visiting in North America. For other parts of the world, use the link to SCD groups on the Strathspey site to find contact information.

There may be other useful sites that I don't know about. Let me know!
